Licensed Child Care

You have chosen to use a licensed Child Care provider for the care of your child or children. Nebraska Law requires anyone providing care to four or more children from different families, for compensation, to be licensed. The Types of Licensed Child Care in Nebraska are:

- Family Child Care Home I
- Family Child Care Home II
- Preschool
- Child Care Center
- School–Age Only Center

Responsibilities of Child Care Licensing

The roles and responsibilities of DHHS Child Care Licensing staff are to ensure that programs are providing proper care for and treatment of the children they serve, and that the care and treatment are consistent with the child's physical well-being, safety, and protection.

Licensed Child Care programs are encouraged to involve you. We urge you to let your Child Care providers and/or staff know of any concerns. There may be situations where you believe that the program is not responding to your concerns or may not be meeting state licensing standards. This brochure, which Child Care providers are required to share with you, provides information that might be helpful in those situations.

Please complete the receipt section and return it to your Child Care provider. This will be kept with your child's records.

Responsibilities of Licensed Child Care Provider

Comply with child care regulations for their license type at all times.

Obtain and maintain accurate records for children they have in care, such as Enrollment Forms, Parent Information Brochure Receipts, Immunization Records and Medication Administration records.

Keep accurate and up-to-date records for their license on themselves and staff members. Report changes to Child Care Licensing and complete required paperwork to reflect changes.

Allow access to their licensed facility when children are in care at all times to parents, Child Care Licensing representatives and the Fire Marshal.

Develop policies and procedures for their programs.

Communicate with families their needs and concerns for the children in care.

Contact Child Care Licensing with any questions or concerns they may have.
